

The Ultimate Candidate Experience.

Connecting Candidates with the **BEST** Career Opportunities at Your Staffing Agency.

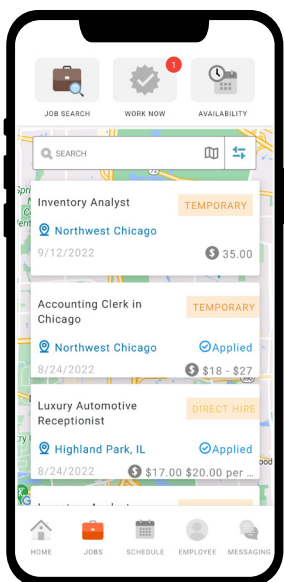

Ultra-**Staff** *EDGE* JOBS matches candidates with the best job opportunities at your staffing company. Right from their fingertips, candidates have the flexibility to search for jobs with ease including jobs available to work now, enter availability and time, view employee documentation, message your staffing agency directly, and MORE. Ultra-**Staff** *EDGE* JOBS offers the candidate experience both you and candidates have been searching for.

UNLEASH THE CANDIDATE EXPERIENCE YOU WANT

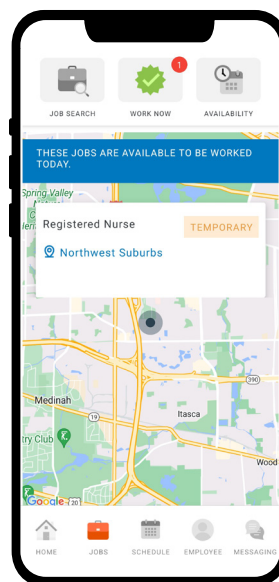

JOB SEARCHING

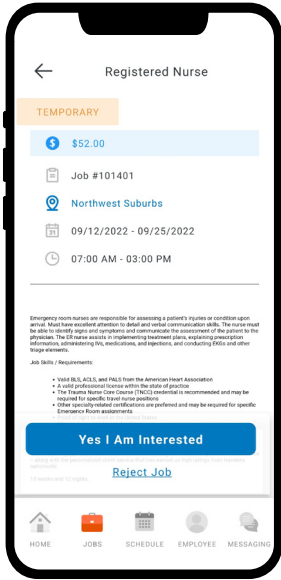

Candidates can search for jobs and apply based on the qualifications the recruiter set for that candidate. Job descriptions, requirements, salary, and a map view of the location can be viewed.

WORK NOW JOB OPPORTUNITIES

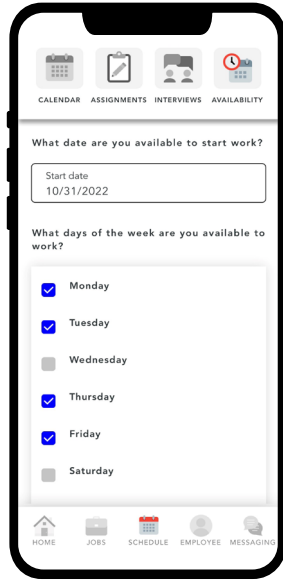

Is your candidate ready to work now? Through the Work Now feature, candidates can find all jobs available to work right away. No need for candidates to wait to work when they are ready to work now!

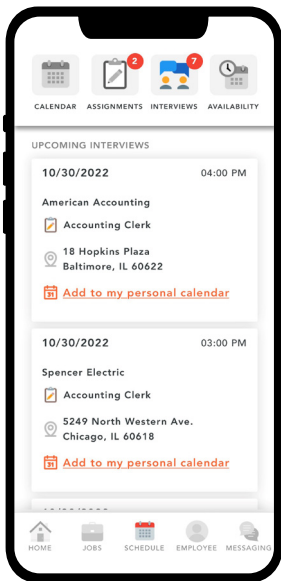

ASSIGNMENTS

Candidates can accept and view upcoming and past assignments.

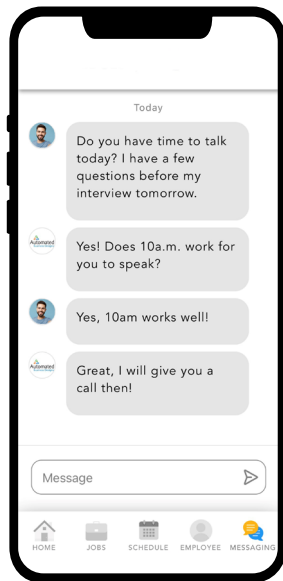

ENTERING AVAILABILITY

Candidates can manage and update their availability by entering the days of the week they are available to work and the first date they are available to start.

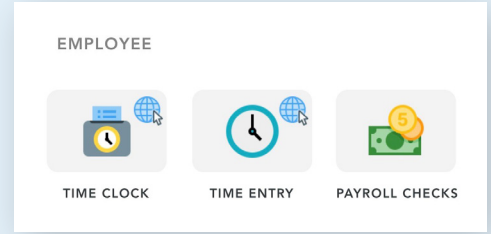

INTERVIEWS

Candidates can schedule and view upcoming and past interviews.

MESSAGING

Candidates can message recruiters directly right from the mobile app. From within Ultra-Staff EDGE recruiters can then respond back to messages right from their dashboard or within that candidate's record.

EMPLOYEE DOCUMENTATION ACCESS

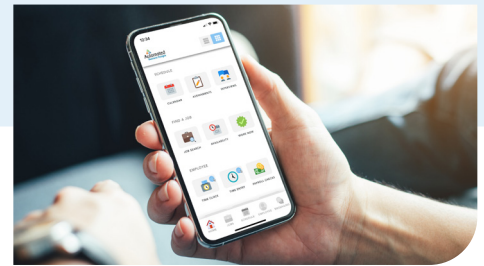

Payroll checks, W2's, 1099's, 1095's, and other important employee documentation can all be viewed.

CAREER RESOURCES

Upload career resources (Interview Prep Tips, Resume Samples, How to Land a Job Guide, etc.) for the candidate to take advantage of and view right from the mobile app!

PUSH NOTIFICATIONS

Candidates can receive push notifications about jobs matching their qualifications and reminders about upcoming assignments and interviews.
